

Compliance with state animal welfare laws

Our company does business in:

- Arizona
- California
- Colorado
- Massachusetts
- Nevada
- Oregon
- Washington

And sells or uses:

- Shell eggs
- Liquid eggs (including egg whites or egg yolks)
- Egg Products
- Whole pork
- Whole uncooked veal or veal cutlets

We intend to comply with all state animal welfare laws that affect the sale of these products. We require certification from pork, egg, and veal suppliers indicating that all covered pork, egg, and veal products they sell our company meet state animal welfare requirements.

Please provide written certification that the above marked product(s) purchased by our company for sale in applicable states will comply with all applicable state laws.

Certification for products intended for sale in MA should be provided using this form:
